THE “NEW” VOICE OF PARK

HOME RESIDENTS,

WELCOME TO “PHRAA NEWS”

PRODUCED FOR PARK HOME OWNERS

BY PARK HOMEOWNERS

A brand new UNIQUE ONLINE MAGAZINE produced by the “PARK HOME RESIDENTS ACTION ALLIANCE” (PHRAA) exclusively for all Residential Park/Mobile Home Owners including Holiday Caravan/Chalet Owners especially aimed at anyone considering investing their hard earned life savings in the purchase of a Park/Mobile Home in which to spend their well earned retirement years.

“PHRAA NEWS” is not just another industry biased propaganda publication such as “PARK HOME & HOLIDAY CARAVAN MAGAZINE” or the free annual “PARK HOME NEWS” vanity magazine produced by certain Insurance Companies, Park & Holiday Home/ Lodge Estate Agents and Manufacturers etc., who can only publish information not deemed by their lords and masters, (Park Owners, and their Trade Association BH&HPA) to be, even remotely, detrimental to the park home industry. This whilst carefully avoiding any mention of the rampant cancer, which is the ever growing band of rogue park owners infesting this industry, raging completely out of control. A recent example of the very real power of the industry to suppress any adverse comments regarding the park home lifestyle is evident by the sudden withdrawal of the monthly “LEGAL QUESTION PAGES” published in the Park Home & Holiday Caravan Magazine. These informative answers to questions sent to the magazine from usually desperate residents and responded to by Mr. Graham Watts LL.B of Park Home Legal Services. This was the only reason many people even purchased this magazine and it would serve the publishers right if the circulation fell to uneconomical levels in future.

“PHRAA NEWS” ‘TELLS IT AS IT IS’ and FOR ANYONE CONSIDERING SELLING UP THEIR BRICKS AND MORTAR AND BUYING A PARK HOME, PHRAA NEWS, together with its main website www.phraa.co.uk is the only source of truthful information FREELY available anywhere either online or in print. All the advice to prospective buyers of park home etc., is to do your homework before you commit. PHRAA NEWS and the well established PHRAA website, which is now (April 2012) approaching 450,000 hits, is the only national organisation with the guts to supply it.

The officers of the Park Home Residents Action Alliance (PHRAA) live on parks owned by unscrupulous park owners so are only too well aware of the terrifying misery these UPO’s inflict upon their helpless and trapped residents. This gives PHRAA a unique understanding of the problems and the criminal exploitation of the 60,70,80 even 90 year

old park home owners currently terrified and trapped in what they call ‘Prison Camps For Pensioners’.

“PHRAA NEWS” is packed with up to date information exposing the latest scams being used against residents. News, Comments and informative features, articles etc. What it DOES NOT contain is any form of Park Home Advertising therefore is not influenced by money, power or having to conform to any industry dictated censorship or restrictions on what we can publish.

PHRAA or PHRAA NEWS DOES NOT, NEVER HAS or NEVER WILL, ACCEPT ANY FORM OF SPONSORSHIP FROM ANY COMPANY< INDIVIDUAL< ORGANISATION that has any connection whatsoever with the PARK HOME INDUSTRY. This means that PHRAA IS THE ONLY VOLUNTARY NATIONAL PARK HOME RESIDENTS ASSOCIATION THAT IS TRULY INDEPENDENT, THEREFORE TOTALLY DEDICATED TO WORKING EXCLUSIVELY FOR THE WELFARE OF ALL PARK HOMEOWNERS WITHOUT having to refer to those holding the purse strings before speaking out. PHRAA FIRMLY BELIEVES WHERE THE SUBJECT OF SPONSORSHIP IS CONCERNED THAT “HE WHO PAYS THE PIPER CALLS THE TUNE”.

“PHRAA NEWS” will be published initially on “an as and when basis” but will be mainly a bi- monthly magazine depending upon the amount of news available. PHRAA NEWS is FREE to all to view and/or download. PHRAA NEWS is also available in hardcopy for those without computers or access to the internet for just £2 per copy to cover printing, post and packing.

Although PHRAA NEWS is available free of charge to all, please remember that we at PHRAA work and produce this information entirely voluntary and rely entirely upon either membership fees or donations to keep going. So if when you have read the information on either the PHRAA NEWS website or the main PHRAA website and hopefully found it useful, you feel you would like to donate a small sum or become a member of PHRAA we would be very grateful. Please

make cheques or postal orders out to PHRAA. Address in PHRAA NEWS. Remember, unlike other National Park Home Residents Associations PHRAA does not enjoy unlimited funds in park industry funded sponsorship.

Finally, PHRAA NEWS IS PRUDUCED BY PARK HOME OWNERS FOR PARK HOMEOWNERS so if you have a story which you would like included in any future issues, providing it can be fully substantiated if necessary, we will be very pleased. Please send by email or post. All information received for publication or otherwise will be treated in strictest confidence. Names, name of parks, address will be changed to prevent identification of donors. Thanks and enjoy. Ron Joyce PHRAA. Email. ronjoyce106phraa@yahoo.com. Tel 01902 373462. Post. 5.
